CAREER BIO	<p>Julius wobay is a very strong and highly skilled player. When he is on the ball, he controls the play with such ease, with great balance he can push off any defenders that come near him. Defenders continue to have problems with him because of his physcially abilites he can continue the attack and create the chances for his team to win matches. However his ability doesn't stop their, he loves to create goal scoring oppertunities from himself and isn't afraid to give it a go. He shows great defensive qualites as well, he always coming back to support his defenders and sprints off during a counter to help his team. He is very clinical and show great consistancy in his game. Julius is a dangerous player with fast pace, great control on the ball, consitant in every game and physical strong making him a great all rounder.</p>
