James Dayton is a highly skilled and dangerous attacking midfielder. He has excellent ball control, especially on the break and causes huge problems for any defenders in front of him. He has a natural goal scoring attitude which makes him a huge threat to any team he is up against. Dayton is a very fast player on the ball, there is a lot of grace and fluidity with the way he plays and brings a lot of confidence to his game which certainly affects his team on the counter. James shows all the good qualities that makes a good attacking midfielder. And is not afraid to challenge to win the ball and fire the winning goal.
